GENERAL TERMS AND CONDITIONS OF LEHRIEDER CATERING-PARTY-SERVICE GMBH & CO. KG

§ 1 General – Scope

These General Terms and Conditions apply to all offers, deliveries and services of the company Lehrieder-Catering-Party-Service GmbH & Co. KG, Messezentrum 1, 90471 Nürnberg. Customers in the sense of these terms and conditions are consumers and entrepreneurs. A consumer is any natural person who enters a legal transaction for a purpose that can not be attributed to their commercial or self-employed professional activity. An entrepreneur is a natural or legal person or partnership with legal capacity who, when concluding the legal transaction, acts in the course of his commercial or self-employed professional activity. Any conditions or contrary terms and conditions of the customer deviating from the following terms and conditions shall not be recognized by the company Lehrieder unless the company Lehrieder has expressly agreed to their validity in writing. The terms and conditions of the company Lehrieder apply even if the latter provides services in knowledge of conflicting conditions or conditions deviating from their terms and conditions.

§ 2 Offer and conclusion of contract

Enquiries of any kind by the customer do not constitute a legally binding offer. Lehrieder submits an offer to the customer which loses its effectiveness if it is revoked by Lehrieder before acceptance by the customer. The customer may accept the offer up to 14 days after the date of the offer. A late confirmation by the customer or a confirmation deviating from the offer shall be deemed a new offer and shall require the express written acceptance by Lehrieder. Short quantities have no influence on the agreed price.

In case of increases, in particular changes in the number of persons and / or the required food and / or drinks, the company Lehrieder is entitled to adjust the contract to the effect that the remuneration is adjusted accordingly to the increase. Silence of the company Lehrieder towards a customer's request does not imply a confirmation, even if the customer is an entrepreneur who already has been or is in a business relationship with the company Lehrieder.

Offers by Lehrieder for the provision of gastronomic services are subject to change and non-binding, even if they are signed. If the customer places an order based on an offer without obligation, this shall only be an offer to conclude the contract in the legal sense. The acceptance of an offer for the conclusion of a contract by Lehrieder is possible within 21 days - and also without compliance with the written form - implied by the performance of the service.

The customer shall submit his order for orders to Lehrieder as follows:

- For an event up to 100 persons at the latest 17 days before the first day of the event.
- For an event with 101 persons or more, at the latest 21 days before the first day of the event.
- For an event with 500 or more persons, at the latest 28 days before the first day of the event.

§ 3 remuneration, redemption, payment methods, set-off and lien rights

The prices contained in Lehrieder's offer are stated in euros and do not include the statutory value-added tax. For customers with a German registered office, payment shall be made by bank transfer. For customers with a registered office outside Germany, only credit card payment is possible. The company

Lehrieder is authorized to reserve 150 % of the order amount. Therefore you will receive a payment link before your event.

For orders over € 30.000, a prepayment of 30% is due 28 days before the event.

If our employees are deployed between 08:00 p.m. and 06:00 a.m., we apply a surcharge of 25 percent.

If our employees are deployed on Sundays, we apply a surcharge of 50 percent.

If our employees are deployed on public holidays, we apply a surcharge of 125 percent.

All payments shall be made without deduction of any discount.

The customer bears the necessary power and water costs and consumption costs. He also bears the costs incurred by the company Lehrieder for procuring and organizing the required supplies. The company Lehrieder will provide the customer with a separate billing. In the case of companies with registered offices outside Germany, Lehrieder shall only be obliged to deliver after receipt of full payment. Deviations may be agreed in writing between the parties.

Booth catering:

Lehrieder will charge the customer € 30.00 per delivery. Delivered food, wine and sparkling wine will not be taken back. Delivered drinks will only be taken back in full crates. Incomplete crates, individual bottles or barrels will not be returned. A return fee of € 20.00 will be charged per original crate. Empties that are not returned will be invoiced.

The customer is obliged to inform the company Lehrieder of the correct place of business and billing address prior to the beginning of the fair. The company Lehrieder is entitled to charge a lump-sum processing fee of € 25,00 if sending a corrected second invoice is required due to the previously communicated incorrect address. If lower costs incurred, the customer has the right to prove that to the company Lehrieder.

The customer's right of set-off exists only with counterclaims that have been either legally established or accepted by the company Lehrieder. A consumer can only execute the right of retention if a counterclaim is based on the same contractual relationship. Entrepreneurs are entitled to a right of retention only in case of undisputed or legally established counterclaims.

§ 4 Right of contract cancellation

The company Lehrieder is entitled to withdraw from the contract if the withdrawal is justified by a factual reason in the sense of a predominant and commendable interest on their part.

This is especially the case:

- in case of breach of contract by the customer, i.e. in case of damage to the property of the company Lehrieder and in case of delay by the customer,

goods. The latter applies only if the company Lehrieder had just made a separate order for the respective order and this cover business was not or not fulfilled in time by their suppliers and although the company Lehrieder has made every reasonable effort to procure the goods. The company Lehrieder will immediately inform the customer about any unavailability and refund any consideration of the customer, · in circumstances that give rise to legitimate doubts about the creditworthiness of the customer, in particular when applying for or opening insolvency proceedings.

The customer is entitled to withdraw from the contract in the cases specified by law. The withdrawal must be made in writing.

If the customer withdraws from the contract, Lehrieder shall be entitled to charge a flat-rate reimbursement of expenses according to the following scale, unless Lehrieder is responsible for the withdrawal.

- 14 or less days prior to the date of the event: 100% of the total amount according to the current cost prog-nose
- 14 to 21 days before the date of the event: 75% of the total amount according to the current cost forecast
- 22 to 28 days before the event date: 50% of the total sum according to the current cost forecast
- 29 to 60 days before the date of the event: 25% of the total sum according to the current cost forecast.

The client may prove that in the specific case the reasonable amount is lower than the flat-rate reimbursement of expenses.

Food, beverages, personnel and equipment specially purchased for the event shall be invoiced to the client at 100%.

The customer shall be at liberty to prove that Lehrieder saved higher expenses. Lehrieder reserves the right to prove higher damages.

§ 5 Transfer of risk

If the customer is an entrepreneur, the risk of accidental loss and accidental deterioration of the goods is transferred to the customer upon handover/ in the case of a consignment purchase upon delivering the item to the freight forwarder, the carrier or the person or company otherwise intended to carry out the consignment. If the customer is a consumer, the risk of accidental loss and accidental deterioration of the goods is transferred to the customer only upon handover, including the goods purchased via mail order purchase. In any case, the risk of accidental loss and accidental deterioration of the goods is transferred to the customer if his acceptance of the delivery / service is delayed.

§ 6 Warranty – Complaints – Limitation

The customer has to inspect the delivered goods immediately upon receipt in terms of their type, quantity and condition. The customer has to notify the company Lehrieder about obvious defects of goods and food (food and beverages) immediately after collection / delivery / service; respectively hidden defects of goods and foods immediately upon discovery. Otherwise, there are as little warranty claims by the customer as with defects that have occurred after the transfer of risk due to improper storage or handling of the goods and food by the customer. If the customer is an entrepreneur, the company Lehrieder warrants for defects in the goods / food at their own

choice by a supplementary performance; i.e. rectification or replacement. Other claims of the entrepreneur are excluded. If the customer is a consumer, in the event of a defect, a subsequent performance at his choice will be carried out by rectification or replacement. However, the company Lehrieder is entitled to reject the type of remedy chosen by the customer if this is possible only at disproportionate costs and the other type of remedy remains without significant disadvantages for the consumer. If the supplementary performance fails, i.e. if two attempts of rectification or replacement fail, the customer may, at his discretion, demand a price deduction or withdraw from the contract. With only minor defects, withdrawal is excluded. If the customer is a consumer, the limitation period for the above claims is two years from delivery / collection of the goods / food. If the customer is an entrepreneur, the limitation period is one year from delivery / collection of the goods / food. The company Lehrieder reserves the right, insofar as this is reasonable for the customer, to replace individual partial services and products by such comparable type and quality in the same amount.
